

AGREEMENT BETWEEN THE COMPETENT AUTHORITIES OF THE ISLE OF MAN AND THE BRITISH VIRGIN ISLANDS ON THE AUTOMATIC EXCHANGE OF FINANCIAL ACCOUNT INFORMATION TO IMPROVE INTERNATIONAL TAX COMPLIANCE

Whereas, the Government of the Isle of Man and the Government of the British Virgin Islands have a longstanding and close relationship with respect to mutual assistance in tax matters and desire to improve international tax compliance by further building on that relationship;

Whereas, the Common Reporting Standard was developed by the OECD, with G20 countries to tackle tax avoidance and evasion and improve tax compliance;

Whereas, the laws of the British Virgin Islands are expected to require financial institutions to report information regarding certain accounts and follow related due diligence procedures, consistent with the scope of exchange contemplated by Section 2 of this Agreement and the reporting and due diligence procedures set out in the Common Reporting Standard;

Whereas, it is expected that the laws of the Isle of Man and the British Virgin Islands would be amended from time to time to reflect updates to the Common Reporting Standard and once such changes are enacted by a Jurisdiction the definition of Common Reporting Standard would be deemed to refer to the updated version in respect of that Jurisdiction;

Whereas, Article 8 of the Agreement between the Government of the Isle of Man and the Government of the British Virgin Islands for the exchange of information relating to tax matters (the "TIEA"), authorises the exchange of information for tax purposes on an automatic basis, and allows the competent authorities of the Isle of Man and the British Virgin Islands (the "Competent Authorities") to agree the scope and modalities of such automatic exchanges;

Whereas, the Isle of Man has, or is expected to have, in place by the time the first exchange takes place (i) appropriate safeguards to ensure that the information received pursuant to this Agreement remains confidential and is used solely for the purposes set out in the TIEA, and (ii) the infrastructure for an effective exchange relationship (including established processes for ensuring timely, accurate, and confidential information exchanges, effective and reliable communications, and capabilities to promptly resolve questions and concerns about exchanges or requests for exchanges and to administer the provisions of Section 4 of this Agreement);

Whereas, the Competent Authorities intend to conclude an agreement to improve international tax compliance based on nonreciprocal automatic exchange pursuant to the TIEA, without prejudice to national legislative procedures (if any), and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the TIEA;

Now, therefore, the Competent Authorities have agreed as follows:
